Dear Mr. Parham,

I am writing to express Macy's support for the demolition and redevelopment of the former Sheraton/Cincinnati North Hotel at 11911 Sheraton Lane. Macy's is in the process of moving numerous office jobs into approximately 158,000 SF of the former Avon Building in Springdale. Having a nearby, high-quality hotel would be a significant benefit to the community, our business and our guests.

Sincerely,

Dear Mr. Parham,

I am writing to express Cincom's support for the demolition and redevelopment of the former Sheraton/Cincinnati North Hotel at 11911 Sheraton Lane. Cincom has been a proud member of the Springdale business community for almost 20 years and having a nearby, high-quality hotel would be a significant benefit to our business. Because of its proximity to our office, a new hotel on Sheraton Lane would be our first suggestion for any out-of-town guests or employees visiting our office.

We are pleased that the City is pursuing the redevelopment of this important property and are confident that this project will enhance the community and the businesses in Springdale.

Sincerely,

Dear Mr. Parham,

I am writing to express Maple Knoll Communities support for the demolition and redevelopment of the former Sheraton/Cincinnati North Hotel at 11911 Sheraton Lane. With 481 units, Maple Knoll is the second largest retirement community in the greater Cincinnati region. Having a convenient and high-quality hotel for our residents' out-of-town family members is a challenge for us right now. For this reason, we are excited about the redevelopment plans for the former Sheraton hotel and are pleased that the City of Springdale is working proactively to improve our community.

Sincerely,

Timothy McGowan
Executive Vice President of Operations

Dear Mr. Parham,

I am writing to express Clarke Fire Protection Products' support for the demolition and redevelopment of the former Sheraton/Cincinnati North Hotel at 11911 Sheraton Lane. We provide multi-day product training on our fire protection engines at our Springdale location. Most of the class attendees come from out-of-town and we currently recommend that they stay at hotels in West Chester. Having a nearby, high-quality hotel would be a significant benefit to our clients, our business, and the Springdale community.

Sincerely,

Paul E. Loebig
Chief Administrative and Compliance Officer
